“Peace is the greatest gift on Earth. This is what my mother Maria always taught me and, at the same time, her deepest legacy. As the first libretto about the Genesis of the Human Soul, inspired by the birth of my son Davide Damiano Maria Fabbiochi (DDMF), “STELLINA” promotes Peace and a new educational Era. The Project aims at transforming current conflicts in a new Harmonic Symphony among all human beings. Our “Scuola del Cuore Buono” (see facebook) in Volterra, Italy is the (S)P.ACE to cultivate this revolutionary seed and is looking for cooperation.”
